BLACKSTONE HIGH SCHOOL
Blackstone, Virginia

Foreword

We, the annual staff, present to you the 1953 "Ivy". This year we have earnestly striven to give you a clear and complete picture of life at B. H. S. As you leaf through this annual, you cannot help but remember and love "Old Blackstone High School". From this, our Alma Mater Song, we obtained our theme. However, we are not interested primarily in the building itself, but the people that make it up, their activities, their achievements, and their abilities. Sincerely, we hope that we will help you to keep a fresher and more vivid memory of your years here. Now, we take pleasure in presenting "Old Blackstone High School".

S. C. A.

The Student Cooperative Association Council is the governing body of Blackstone High School. With Mr. Parr as its sponsor, it is composed of representatives from all clubs and home-rooms.

The Council endeavors to work out all problems between the students and the faculty. This year it sponsored the Community Chest Drive at the beginning of the year instead of having the many different drives throughout the year.

The Council always strives to provide good student government, and in the year 1952-53 it feels that it has been very successful.
